

This little Low Rider is a female, 2 year old, 23 lb Cowboy Corgi. She goes by the name of Alice and is very, very sweet. She was dumped at a high kill shelter in Kansas with her 4 little puppies. All her puppies were adopted and she was left all alone in the shelter. No one came to adopt her and she was put on the EU list. Alice is very sweet and all the workers did not want to see her go, so they reached out to rescues. She is great with other dogs and kids. She has not been cat tested. The shelter also say she walk ok on a leash and has good house manners. Alice deserves to find a home that is kind and very loving. She promises to bring a huge amount of love and years of fun!! She would like to explore Colorado with her new family, she would not mind going to some of the fun parks and maybe a dog friendly brewery or two. If you would like to meet Alice please fill out an application at
