

If you want a cute and spunky little guy who will fill your life with love and fun, Bernard is just the guy for you!! He is a 7lb, 1 year old cutie Chihuahua. He will play with you want to play and he will snuggle when you want to snuggle. He is very energetic and loves to be outside in the sun. He is friendly to anyone and would be a great park dog. He loves all his fosters and plays with them. He also loves kids and therefore would make a great addition to any family. Bernard is a character, you have to meet him to get the full "Bernard Experience." I can't stop laughing when he is around. Small balls are his choice of toy, but he promises not to be too picky in his new home. Bernard loves his crate for nap time and eating. He has the cutest underbite, which only adds to his character. If you would like to meet Bernard, please fill out an application at
