

Bitsy is a dear little 2 year old, 8 lb Chiweenie looking for a friend and companion that will spend some time with her snuggling and binge watching Netflix. She is an owner surrender from Texas whose owners had lost their jobs and they could not care for her anymore. She is super sweet and has never met a lap she did not like. She will sit with you all day and keep you company while you work from home. She likes other dogs and would make a great addition to any family. Bitsy needs a home, she doesn't like being without one. She promises to be a great little pooch and would love to schedule a meet. If you would like to meet Bitsy please fill out an application at

www.lowridersofthewest.org

Bitsy's adoption fee is \$350.00 - she is spayed, up to date on all her vaccinations and chipped.
