

Did someone say belly rubs? Buddy says Yes please! Buddy is the sweetest little Cocker ever. He's always wagging his little nub when he meets you. He's good with kids and dogs and cats. He's about 5 y/o and it looks like someone may have cleaned his teeth at least once. He was approx 26 lb on intake. He'd love a family who will include him in their daily activities and teach him fun things. Buddy is ready to go to his forever home right away. If interested in meeting Buddy, please complete our application at
