

Check out little Casey, she is a 1.5 year old, 9 lb Chihuahua blend looking for her new home. - She was found wandering the streets of Kansas looking for someone to love her and give her a home. No one would take her in, so she is hopping on the local Greyhound and coming to Colorado to find a home. She is a very happy go lucky kind of girl who likes to have fun. She is good with other dogs and people! She is hoping that there is a family in Colorado just for her, she has a very short wish list - a soft bed, a couple of toys and a great family. If you would like to meet Casey please fill out an application at

Casey's adoption fee is \$325.00 - She is spayed, up to date on all her vaccinations and chipped.
