

This little guy is Charlie, he is about a year old and weighs about 10 lbs. He was dumped at a high kill shelter in Texas and is making his way to Colorado to find his forever home. He is good with other dogs and would love to find a fun and loving home. This little guy's personality mirrors his face, he is sweet and very loving. It's hard to understand why he was in a shelter in the first place. Charlie is looking to start a new life here in Colorado. He hopes he can spend this summer exploring, camping and of course playing. If you would like to meet Charlie please fill out a application at

Charlie's adoption fee is \$350.00 - he is neutered, up to date on all his vaccinations and chipped.
