

Darla is a little 10 lb, 5 year old Chihuahua who came to rescue from Kansas with her 14 week old puppy. Her puppy has found her home, but Darla is still waiting for her new family to come and meet her. Darla may be a little older, but she has a ton of love to give. She is a little shy at first, but warms up quickly, once she realizes you have a lap and a gentle hand. Darla hopes that she can find a home with a little bed by the fireplace so she won't be cold this winter. She likes other dogs and would make a great traveling partner. Darla would love to find a family that likes to go on walks and explore. She has a huge heart and lots of kisses and is willing to give all to her new family. If you would like to meet Darla please fill out an application at

www.lowridersofthewest.org

Darla's adoption fee is \$325 - she has an appointment to be spayed, up to date on all her vaccinations and chipped.
