

Doogie, a 6.5 month, 10 lb Chihuahua/Pug blend, was caught by the Kansas Animal Control and taken straight to the slammer. He was given two weeks to find a home and when he didn't, they put him on the EU list. His time has come and he reached out to any rescue for his last chance save. Low Riders snatched him up and is bringing him to Colorado to find his new home. He gets along with other dogs and loves people. He is a sweet puppy looking for a special family to call his own. Doogie wants so much to make his new family very happy and fill their lives with love. If you would like to meet Doogie, please fill out an application at
