

Elenor is a 7-8 year old 30 lb. Sheltie blend who ended up in an overcrowded NM shelter. When no one came to reclaim her, Elenor was on borrowed time. Low Riders pulled her and brought her to CO hoping to find her forever home here. Elenor is a mellow gal who is loyal and will stay by your side. She is dog and kid friendly; will be tested with cats but we don't anticipate any issues. Elenor enjoys car rides and cool evening walks around the neighborhood. She also seems potty trained. The vet in NM said that Elenor has a grade 4 heart murmur so we're going to get her checked out here to see what can be done for her and if it's safe to have her spayed. If interested in meeting Elenor, please complete our application at
