

Ellie Mae is an approx 1 year old, 21 pound mixed breed girl. She was scared and shutting down at the shelter and was put on the urgent list. She's now in a foster home trying to figure things out. She gets along with other dogs and will need a friendly canine companion in her new forever home to help her adjust. She's a sweet timid girl wondering what's going to happen next. Ellie Mae is looking for a home and family who can show/teach her that she's finally safe and will never be dumped in a scary shelter ever again.
