

Frisco was picked up by Animal Control in NM and when no one came to claim him, was put on the EU list for being in the shelter too long. He's a sweet Heeler/terrier/shortie blend now looking for his forever home in CO. He's about 3 years old, 26 lbs. and dog friendly. Frisco would love a family who will include him in their activities and give him the love he craves and deserves. If interested in meeting Frisco, please complete our application at

Frisco's adoption fee is \$300.00 - He will be neutered, up to date on all his vaccinations and chipped before he is adopted out. We require the application, home and reference check and meet and greet with current pets and/or children in the home.
