

Isaac was surrendered in a hoarder situation in OK with 30 other dogs. He was 4 months old at the time. He hasn't had any interest in the seven months that he's been in the overcrowded shelter in OK so he's coming to Low Riders in CO to find his forever home. We think Isaac is a BC/Heeler blend. He's now socialized with people and has always been friendly with other dogs. He hasn't been around cats. If interested in meeting Isaac, please complete our application at

Isaac's adoption fee is \$325.00 - He will be neutered, up to date on all his vaccinations and chipped before he is adopted out. We require the application, home and reference check and meet and greet with current pets and/or children in the home.
