

Jacquelyn is a sweet little 14 lb, 1 year old little Labhuahua (kind of like a Lab on stilts) mix arriving from TX. She was picked up with her posse, they were running the streets together. Jacquelyn never thought she would end up in doggy jail. She put the charm on and won the shelter workers over and they reached out to Low Riders to help her and her friends find a home. Jacquelyn is a very sweet and affectionate girl who loves to have a good time. Her good time includes the usual, playing with a ball outside, running with her human and snuggling up on a couch and watching reruns. Jacquelyn is very dog friendly and would make a great addition to any family. If interested in meeting Jacquelyn, please complete our application at

www.lowridersofthewest.org

Jacquelyn's adoption fee is \$325.00. Jacquelyn is spayed, up to date on all her vaccinations, HW- and chipped. We require the application, home and reference check and meet and greet with current pets and/or children in the home.
