

Kay is an awesome little Lab/Terrier with a bob tail. She's approx 23 pounds and only 1 years old. Kay and her friends were picked up by the local ACO after loitering in the park. Kay did not know that loitering in a park was an offence punishable by death, until they found themselves in doggy jail. She used her one phone call to call Low Riders and we snatched them up and brought them to Colorado. Kay is now looking for her furever home. She is a bit shy at first, but warms up with hot dogs. She loves hot dogs! Her foster says she is the sweetest little girl ever, she just needs a gently hand and a sweet voice to tell her everything is going to be ok. It's sad that no one came to claim these girls, they all are really smart and sweet. If you would like to meet Kay please complete our application at
