

Korra is a very sweet dog who loves her people. She will stick with you wherever you go and likes to keep an eye on you. She loves to cuddle, explore the outdoors, chew on bones, and just hang out. For being only a year old she is quite calm but of course gets her moments of playful puppy craziness! Korra is coming along very well with her training and has learned basic manners, walks well on a leash, and simple commands like sit and lay down. She is looking for a family that will continue working on training with her and would love to go to some puppy classes for further socialization. Because Korra is quite strong and still learning her manners, we suggest home without small children. Korra is good with other dogs in general, but living with another dog would have to be assessed on a case by case basis to see how they get along.

If you would like to meet Korra please fill out an application at www.lowridersofthewest.org

Korra's adoption fee is \$375. She will be spayed on March 17th and up to date on all her vaccinations and chipped.
