

Lil Bit is looking for a special home. He is a 3 y/o Pom/Pug who was surrendered in Texas. He is a fun little guy (9#) with a HUGE personality. He loves to play with toys and fetch his ball. He is a big snuggler and fun to have around. His owner raised him to be a gentleman but when she had to take a second job he was being left for up to 12 hours a day. Lil Bit is an active guy who did not take well to that. He started showing separation anxiety and barking a lot. He will need a home where someone is usually home. He does not do well in an apartment due to his barking. He is potty/pee pad trained. Walks well on a leash. Gets along with small dogs and cats. He will make you smile everyday. If interested in meeting LB, please complete our application at

Lil Bit's adoption fee is \$300.00 - He is neutered, up to date on all his vaccinations and chipped. We require the application, home and reference check and meet and greet with current pets and/or children in the home.
