

Lucy is a sweet little 13 lb, 2 year old Chiweenie looking to relocate. Her former home got way too crowded and she was evicted by the authorities. Her owner was a good owner, just really loved the Chiweenies and had way too many to handle. Lucy is like many other horder dogs, she is a bit shy of new people, but warms up quickly. She would love to find a loving home that will give her plenty of attention and show her that people can be sweet and kind. Lucy will need a little patience, trust for her takes a day or so. But, before you know it she is your best friend and constant companion. She deserves a home where she can have lots of love and lots of snuggles.
