

Single, Tan/White, Female, Cheeler, 1 year old, 20lb female looking for a lifelong human companionship. Done with motherhood, looking for love, laughs and cuddles. Done with being dumped by former loves. Loves: cuddles on the couch, watching TV and hanging with favorite human friend. Needs: nice warm bed, lots of kisses, a lap. Dislikes: loud noises, lots of commotion, thunder storms. Wanting to find a new human companion that will love unconditionally and never give up. Been through too many breakups and tired of being sad. Would like a little assurance now and then that life is going to get better. Has more love than the Atlantic Ocean to give to the right family. Cat friendly as long as they share the couch and the bed. If you would like to meet up please fill out an application at
