

This adorable 3 month old is Mister, he is about 15-20 lbs and a Lab Mix. Mister and his brother were saved on their last day at a high kill shelter in Texas. They were left in a small crate outside their back door. Our partner rescue in Texas asked if we could find Mister and his brother homes here in Colorado. Mister is great little guy who was given a ruff start at live. He does not seem to be bothered by it, he is just looking for a fun home to be a part of. He is great with other dogs and has been kid tested and approved. He heard a rumor in Texas that there were mountains in Colorado and is super excited to see them and hopefully hike one or two. Mister would love to find a home where he can go on adventures and share lots of snuggles at night. If you would like to meet Mister please fill out an application at

www.lowridersofthewest.org

Mister's adoption fee is \$350.00 - he has an appointment to be neutered, up to date on all his vaccinations and chipped.
