

Penny's time is up in a TX shelter where she's spent the last several months. Low Riders is bringing her to CO to find her forever home. Penny was found as a stray and has been waiting patiently in the shelter as several of her kennel mates kept getting adopted. Sadly, no one wanted to adopt Penny which the shelter staff could not understand since she's super sweet and dog friendly. She's approx 2 y/o and 32 pounds. If interested in meeting Penny, please complete our application at

Penny's adoption fee is \$325.00 - She is spayed, up to date on all her vaccinations and chipped. We require the application, home and reference check and meet and greet with current pets and/or children in the home.
