

Meet Pepper, a snuggly little 8 lb, 2 year old Chihuahua looking for a new home where she can unpack her bag, lay her blanket and take a nap in the sun. She has lost her old home due to a change in living conditions. Pepper likes other dogs and is good with older children. Pepper loves her humans and would make a great companion pup. She needs someone who will give her the security she needs, right now she is a bit confused about what is going on and where her family went. She has adapted well to her foster home, but would really like to settle in soon to her new home. Pepper is sweet and very snuggly, she likes to hang out on the couch with you and watch TV. She looks to the sky every night and is wishing on every star that there is a home out there for her. If you would like to meet Pepper please fill out an application at

www.lowridersofthewest.org

Pepper's adoption fee is \$350.00 - she is spayed, up to date on all her vaccinations and chipped.
