

Popeye is the sweetest little guy who should have never been in a shelter. He is a 6 lb, 1-2 year old Chihuahua/Min Pin Blend. He was sprung from a New Mexico Shelter yesterday and has been the sweetest little guy you could ever meet. His foster can not find anything wrong with him that would warrant him being put in the slammer. He loves people, he loves dogs, but most of all he loves life. Popeye is excited about everything he does, he is excited to play, he is excited to cuddle, but most of all he is excited to find a new family and start a new life. If you would like to meet Popeye please fill out an application at
