

This cutie is Portia, she is an 8 month old, 6 lb Chiweenie hoping her luck has changed. She is just about the cutest little girl ever and her personality matches her cute looks. She is a wonderful little girl who was brought into the shelter by her former owners. They didn't want her anymore, she is like a lot of puppies out there - they are so cute and everyone wants one - but their owners do not make the commitment to care for them when they lose their "cute puppyhood." Well Portia has not lost her cuteness and is just about the more adorable pooch ever. Her former owners missed out on her friendship as she grew older, her companionship, her loyalty and her devotion to them. She has all that packed in her bag and is ready to unpack them at her new home. She promises if she is given a chance you won't be disappointed!! She likes other dogs and loves kids.
