

Prancer is an approx 1-2 y/o 22# shortie blend (maybe Corgi/Cattledog/Beagle?) picked up on the streets of NM. No one came for him at the shelter so he's on his way to CO to find his forever home. Prancer is dog friendly. We're still learning about Prancer, but if you're interested in meeting him, please complete our application at

www.lowridersofthewest.org

Prancer's adoption fee is \$325.00 - He will be neutered, up to date on all his vaccinations and chipped. We require the application, home and reference check and meet and greet with current pets and/or children in the home.
