

Rebel is an adorable little 10 lb, 1 year old Dachshund Blend looking to find her furever home. She was rescued from a high kill shelter in Texas where she was dumped by her former owner after they decided they wanted a vacation more than a dog. Rebel spent way too many days in the shelter and her time was up when they called and asked if we could take her. We are so happy we did, she is the sweetest little girl who needs a family out there to give her a chance. She loves people and will crawl up in you lap and soak in all the love. She is working on the leash, but loves to go out and explore, she looks for her human to be by her side. Words are hard to explain just how sweet she is, you have to meet her. She likes other dogs and loves kids. She would make a great family fur friend. If you would like to meet Rebel please fill out an application at

Rebel's adoption fee is \$325.00 - she is spayed, up to date on all her vaccinations and chipped.
