

Hi I'm Sammy!

I'm a sweet and friendly tripod little girl who loves to run all the time. I don't need a fourth leg to keep up with and out run you, I'm great at it 😊

I'm wonderful with kids 2-20 and I haven't met any babies yet but my foster mom thinks I'd do just fine. I sleep in my kennel all night and I'm learning to walk on my leash really well!

I can get a little noisy when I'm bored or I want you to pay attention to me, but a few pets and I'm calmed right down. I love other dogs and want to play with all of them, but I do have a prey instinct so cats and small fluffy dogs might remind me too much of a rabbit.

I'm learning to sit and lay with my sister pup and mom thinks I'll be very easy to train- she says I'm brilliant!

I would be best in a home with a large fenced in yard where I can run to my hearts content, and with a family who spends a lot of time either at home or places I can go too! If you would like to meet Sammy please fill out an application at

www.lowridersofthewest.org

Sammy's adoption fee is \$375.00 - she is spayed, up to date on all his vaccinations and chipped.
