

Sophie is approx 4-5 month old Border Collie mix found as a stray in NM. She's never had a human care for her in her short little life and is a little shy around them. She quickly comes around with treats and soft kind words letting her know that she's going to be okay now. Sophie needs a family who will include her in their activities like hiking and camping and will teach her fun things. Sophie is still a puppy and would love to go to puppy classes as well. She will be an awesome family member. If interested in meeting Sophie, please complete our application at

Sophie's adoption fee is \$325 plus a refundable spay deposit and contract. She will have her first 2 sets of puppy shots and will be chipped.
