

Sweet Pea is a 1 y/o Chiweenie whose owner surrendered her because they didn't have the time for her. She's housetrained and semi crate trained but she really doesn't like her crate so will need work on that. She's dog, cat, and kid friendly and super sweet. She is a bit of a submissive peer but we're working on that. She loves everyone and deserves a family who will treat her with love and kindness. If you'd like to meet Sweet Pea, please complete our application at

www.lowridersofthewest.org

Sweet Pea's adoption fee is \$325.00 - She will be spayed, up to date on all her vaccinations and chipped. We require the application, home and reference check and meet and greet with current pets and/or children in the home.
