

Sweet Pea is a 1 year old Dachshund blend with the longest legs ever. Her owner surrendered her because they didn't have the time for her. She's semi housetrained and semi crate trained, but she really doesn't like her crate so will need work on that. She's dog, cat, and kid friendly and super sweet. She loves everyone and deserves a family who will treat her with love and kindness. She is hoping to find a home soon, she loves people and bonds easily. One of her wishes is to find a family that will give her lots of snuggles and long walks. If you would like to meet Sweet Pea please fill out an application at

Sweet Pea's adoption fee is \$325.00 - She is spayed, up to date on all her vaccinations and chipped. We require the application, home and reference check and meet and greet with current pets and/or children in the home.
