

Little Tanner is an 8 month old, 7 lb male Chi/Terrier blend looking to find his forever home in Colorado. He and his 1 littermates have been sitting in a pound for over 3 months and their time had come to be euthanized. Our partner shelter in Texas, found them and rescued them from the pound and gave them a second chance to find a home. They reached out to us to help them find homes, they are, after all, just puppies. They have a lifetime of laughs, loves and cuddles to give. Tanner is a great little guy who loves life and loves people. He would make a great companion pooch for anyone needing a friend to talk to or a walking buddy. Tanner gets along with other dogs and will keep you busy playing in the yard, snuggling on the couch or just hanging out. Tanner deserves to have a home that will love and adore him for the rest of his life, because he promises to love and adore his new family.
