

Taylor is a sweet little guy, he is about 8 years old and weighs about 15 lbs. He came to rescue from a high kill shelter in Texas, our partner rescue freed him and took care of him til he could get here. He is in Colorado waiting for his forever family. Taylor can be a little people specific - but he does warm up and loves attention. We would suggest no kids with Taylor as he is a bit older and set in his ways. We are not sure why he could not find a home in Texas because he has really good house manners, does not bark and is a complete snuggle bug. He would love to have a walking buddy, he does well on a leash. Taylor would also like to be in a home where he can have a soft bed, some treats and maybe a toy or two. He is hoping to find his home soon so he can adjust and be the best companion ever. If you would like to meet Taylor, please fill out an application at

Taylor's adoption fee is \$250.00 - he is neutered, up to date on all his vaccinations and chipped.
