

Teddy is a 4 year old 8# Yorkie Mix. Teddy is super loving and good with other dogs, cats, and kids.

Teddy's owner could no longer care for him so she surrendered him to an overcrowded KS shelter.

Teddy would like an active family that will include him in their daily activities. If interested in meeting Teddy, please complete an application at

www.lowridersofthewest.org

Teddy's adoption fee is \$350.00 - he will be neutered, up to date on all his vaccinations and chipped. We require the application for the meet in addition to a home and reference check and meet with current pets and/or children in the home.
