

This little cutie pie is Tiki, she is an 8 month old, 6 lb Chihuahua/Terrier looking for a fun, loving home that she can become a part of. She and her litter mates have been sitting in a shelter for over 3 months and their time had finally come to be euthanized. The shelter reached out to us to help them find homes, they are, after all, just puppies. They have a lifetime of laughs, loves and cuddles to give. Tiki is just the littlest joy ever. She loves to crawl up and sit in your lap and have you love on her. Tiki loves people and other dogs. She also loves to play - she does not have any toys of her own and hopes her new family will get her some. She would also like to have a little bed of her own to take her naps in. Tiki would make a great family addition and promises to be the best friend a pooch can be. If you would like to meet Tiki, please fill out an application at

Tiki's adoption fee is \$350.00 - she is spayed, up to date on all her vaccinations and chipped.
