

This little girl is Tink, she is a super sweet 8 month old, 6 lb Chi/Terrier Blend. she and her littermates have been sitting in a pound for over 3 months and their time had come to be euthanized. A partner shelter in Texas found them and rescued them from the pound and gave them a second chance to find a home. They reached out to us to help them find homes, they are, after all, just puppies. They have a lifetime of laughs, loves and cuddles to give. Tink is the sweetest little girl who needs a home to unpack all her snuggles, kisses and love. She is tiny and promises to not take up too much room. She would like a family that will let her be a puppy. She and her littermates have grown up in a shelter and have not had a bed of their own, toys, or a yard or livingroom to play in. Tink is good with other dogs and would make a great snuggle partner. Tink's adoption fee is \$350.00 - she is spayed, up to date on all her vaccinations and chipped.
