

Meet Tipper, she is a little 7 lb, 6 month old chiweenie looking to find a new home. She is coming all the way from Texas to meet her new family. She loves other dogs and is very human friendly. Tipper and her sister and brother were left at a shelter when their family did not want them anymore. They have grown up at the shelter and do not know what a family is. They have never had snuggles or playtime in the backyard. They are hoping to find families that will share snuggles, playtime and lots of fun with them. Tipper would love to have a human read her a book, playing the backyard, or just binge watch Netflix on the couch with treats. She has lived her life in a shelter and is ready to find a family that will show her what a home is. If you would like to meet Tipper please fill out an application at
