

Tommy is a little long hair male Chihuahua. He is about 5 months old and weighs approx 8 lbs. His whole family was dumped at a Texas shelter this week. It's so sad that a whole family is dumped without a thought!! Tommy is a great little guy, we have no idea why they were dumped. We are hoping he can find his furever home here in Colorado. Tommy promises he will bring with him so much love to his new home. If you would like to give Tommy lots of love back please fill out an application at

Tommy's adoption fee is \$350.00 - he is up to date on all his puppy vaccinations and chipped.
